Serial No.

D.No. 792/64.

1) The C.C.F. has subd., the proposals received from the C.F., Belgaum and has stated that S.No.18 of Siddanbhavi was notified u/s 35(1) of the I.F.A. 1927 by the erstwhile Bombay Government under Nofification No. PRF-2355-3600-J dated 31-5-1955 and the owner of the S.No.18 - Sri.L.H.Kalghatgi has requested to with draw the Notification and to allow him to cultivate the land. The D.F.O. has reported that the land in question is surrounded by malki lands on 2 sides and they are under cultivation. The D.F.O. has also ex - pressed the view that it is not advantageous to retain the area under the control of the forest department, from the point of view of the management, as the same is very difficult to manage since it is in the middle of the malki lands. Hence, he has expressed his view that the Notification issued by the erstwhile Bombay Government u/s 35(1) of the I.F.A. may be withdrawn and the same area may be given to the applicant Sri. ~~XXXXXXXXX~~ L.H. Kalghatgi.

2) In this connection, it can be pointed out that the erstwhile Bombay Government might have considered all these aspects of the case, and then only, they have taken further action the notify the area u/s 35(1) of the Act. Also, the Notification of the Bombay Government under which the area was notified u/s 35(1) is not forthcoming from the papers subd., to Government by the C.C.F., Hence, if agreed to, we may called for a copy of the Orders of the erstwhile Bombay Government, before further action is taken at this end.

I enclose herewith a copy of letter No.FDP-FST-1269-3/63-64 dated 4-12-1963 with its accompaniments received from the Conservator of Forests Belgaum for favour of perusal.

The said survey No.18 of Siddhanbhavi was notified under section 35 (1) of the Indian Forest Act by the erstwhile Bombay State under No.PRF-2355/3600-J dated 31-5-1955, and the owner of the survey No. Shri.L.H.Kalghatgi now requests to withdraw the notification and to allow him to cultivate the land. The Divisional Forest Officer Dharwar reports that the land in question is surrounded by malki lands on two sides and they are under cultivation. The survey No. contains sparse tree-growth and the removal of the tree-growth in favour of cultivation will not lead to soil erosion. He also points out that it is not advantageous to retain the area under the control of this Department from management point of view. I therefore, recommend that Government may kindly be moved to cancel the notification issued by the Bombay Government on 31-1-1955.

If the above proposal is approved the Conservator of Forests Belgaum will be requested to submit the draft notification rescinding the notification already issued under section 35 (i) of the Indian Forest Act.

The application received with the Government letter quoted above is enclosed herewith.

Early orders are solicited.

Yours faithfully,

W. S. Lawlin

Sir,

Subject:-Request of Shri.L.H.Kalghatgi for grant of F.Sy.No.18 for cultivation notified under Section 35(1) of the Indian Forest Act, 1927.

I am submitting herewith letter No.FOP/FST/III-11 of 5-10-1963 of the D.F.O. Dharwar in duplicate for favour of perusal. The D.F.O., proposes to withdraw the Sy.No. in question from the operation of section 35(1) of the Indian Forest Act,1927 in view of the fact that the Sy.No. in question adjoins cultivated lands and there is no fear of soil erosion, if cultivation is permitted. I agree with the recommendations of the D.F.O.

If the above proposals are accepted, the D.F.O., will be asked to submit draft notification rescinding the notification already issued under section 35(1) of the Indian Forest Act, 1927 in the matter.

Yours faithfully,

LETTER.

To

The Conservator of Forests,
Belgaum Circle, Belgaum.

No.FDP/FST/III/11(61-62)/63-64. Dharwar, 4-10-1963.

Subject: Request of Shri L.H.Kalghatgi for grant of F.Sy.No.18 for cultivation notified under Section 35(1) of I.F.A.Act 1927.

Sy.No.18 of Siddanbhavi, Taluka Kalghatgi has been notified under Section 35(1) of the Indian Forest Act as per Bombay Government Notification No.PRF.2355/3600-J dated 31-1-1955. The owner of the Sy.No. Shri L.H.Kalghatgi requests to withdraw the Notification and to allow him to cultivate the land.

2/-. The total area of the Sy.No. is 12 Acres and 35 Gunthas out of which an area of 11 Gunthas is Pot-Kharab. The Sy.No. in question is surrounded by Malki lands on two sides which are under cultivation and on one side it touches Government Forest and the other side some portion touches the Nalla. Most of the adjoining lands are under cultivation Moreover the Sy.No. contains sparse treegrowth like Bagari, Kaval, Goddahonasi, Gojjam, Mukkal, Honni, Mugali, Nelli etc. and only two teak trees are standing in the whole of the Sy. No. No Sandalwood trees are standing in this Sy.No. The extent of treegrowth per acre is 5. Since the Sy.No. is fit for cultivation and it will not lead to soil erosion and give out for cultivation, it is not advantageous to the Government for management.

3/-. The applicant states that he wants to bring the land under cultivation if he is allowed to do so.

4/-. According to para I(11) of Government, A.& F.D. letter of PRF 135307910-J dated 5-3-1965, if the owner of Forest land desires to bring it under cultivation after issue of notification regarding its use, the Forest Deparment need not ordinarily object to it unless cultivation would lead to serious soil erosion. In the present case, there is no fear of soil erosion as the land reported to be fit for cultivation.

In view of the facts explained above, there is no point in keeping the Sy.No. under provision of the Section 35 of the I.F.A. When there is a keen demand for lands for cultivation, it is necessary that private lands which are fit for cultivation are not withheld from cultivation.Therefore, I recommend that the Government may kindly be moved to cancel the notification No.2355/3600-J dated 31-1-1955 issued by the Government of Bombay so that the owner may under take cultivation in the Sy.No. The application received is enclosed herewith for favour of perusal and return.
